

ITE Rising Stars Award

ITE is committed to cultivating the next generation of our profession. As such, ITE's **Rising Stars Program** has been created to identify the next generation and new faces of the transportation profession. It is designed to recognize members under the age of 35 who have already made an impact on the profession, have demonstrated the ability to lead the next generation, and have implemented innovative techniques to solve transportation problems.

FSITE/District 10 is looking a member who demonstrates these characteristics to be the district representative at the national level. The Rising Stars selections from all districts will then also be further evaluated and a Young Member of the Year will be selected from the group.

Eligibility Requirements

- Must be 35 years old or younger on January 1, 2017
- Must be an ITE member
- ITE student members are not eligible
