

CANDIDATE for

District 10/FSITE Treasurer

Dan D'Antonio, PE, PTOE

*TSM&O Department Manager
HNTB*

Candidate Statement

I am honored and excited to be nominated as a candidate for the 2018 FSITE/D10 Treasurer & Membership Chair. As the President of the Central Florida Chapter of ITE (CFITE) for the past two years, I've learned a lot about "servant leadership." Over the past four years on the CFITE Board, I've had many opportunities to serve you, the FSITE/D10 members. These opportunities came through planning and executing several Winter Workshops, Summer Meetings and Annual Meetings. As Treasurer & Membership Chair of FSITE/D10, I will continue to help facilitate meetings in desirable locations with insightful agendas, engage our current members to encourage active participation, recruit new and young members, and work with meeting vendors to reduce costs and increase benefits so that you will continue to have exceptional experiences at our meetings.

As engineers, planners, administrators, and students, we are naturally inquisitive about technical topics. It's the diversity of our craft that makes me passionate about learning and improving my skills. I know that attending conferences and participating in industry organizations must be balanced with the demands of our jobs. As a member of the FSITE/D10 Board, I will always seek input from members on the topics that are most interesting for our meetings so that we provide the value you want for your time and money.

Desire to Serve

I'm a native Floridian, born and raised in South Florida, long-time resident of Central Florida, and recent transplant to West Florida. This is my state and I love everything it has to offer, especially shoulder use for emergency evacuations. I chose Civil Engineering as my degree because I wanted to make a difference in people's lives through infrastructure and I wanted a career where I could see tangible results. These same reasons are why I want to stay involved in ITE: to make a positive difference in the world and to influence results.

You may have met me over the past four years working registration desks, presenting technical sessions, coordinating with caterers, moderating sessions, fetching sandwiches and drinks, or simply enjoying an awards banquet. The relationships I've established in the industry through ITE make all the unpaid hours of service well worth it.

Commitments to You

If elected as Treasurer & Membership Chair of FSITE/D10, I commit to:

- » Provide the Board with timely, accurate, and thorough financial information so that good decisions can be made with good data.
- » Retain existing members by showing returns on your monetary and time investments in FSITE. Expand the membership by actively recruiting young professionals and creating strategic partnerships with similar professional organizations.
- » Foster an inclusive environment so existing and new members feel comfortable participating in FSITE functions.

I am passionate, qualified, and committed to ITE and its members.

Please allow me to continue serving you for years to come by voting for me as Treasurer & Membership Chair of FSITE/D10.
