

Experienced Roadway Design Engineer

—Tallahassee (FL)—

Mead & Hunt, Inc., a nationally recognized professional services consulting firm, has a position open for an experienced roadway design engineer. Responsibilities include leading and developing plans, specifications and estimates for preliminary and final geometric design of urban and rural roadway, interchanges, and other transportation projects; producing roadway alignments, topographical profiles, cross sections, earthwork calculations and grading plans; performing quantity and cost estimates; preparing design reports. This position will have the opportunity to get involved in QA/QC and project management. A valid driver's license and some travel will be required.

The successful candidate will have all of the following:

- a bachelor's degree (or higher) in civil engineering;
- at least four years of relevant work experience; and
- a PE license in any state with ability to obtain in Florida within six months of start date

The ideal candidate will have experience with any/all of the following: Microstation software; GEOPAK and/or OpenRoads Designer software; MS Office software; technical writing; FDOT projects; project management.

If you have strong communication and organizational skills, are self-motivated, and can work well both independently and as part of a team, complete the online application process for this job posting at www.meadhunt.com/careers OR submit your cover letter and resume (and the pdf application if possible) to the address below. The deadline to apply for this position is **Friday, September 13, 2019**. Interviews are awarded on our review of your ability to meet the qualifications in the paragraphs describing the "successful" candidate and "ideal" candidate, **so be sure to explain where indicated in the online application (or in your COVER LETTER, not just in your resume, if you are applying by mail) how you meet each qualification listed in the paragraphs above.** Mead & Hunt will not sponsor a visa (H-1B, etc.) for this position.
