

2019 – Florida’s I³ Transportation Showcase

Integrated, Intelligent, & Innovative Mobility

Sharing Ideas for Safer, Smarter Communities

Exhibitor and Vendor Information

Exhibit Hall is open from June 24th 11:00am – June 25th 3:00pm

Florida's 2019 I³ Transportation Showcase brings together the top 3 transportation organizations (Florida Section ITE, ITS Florida and Florida Section IMSA) in the business all at one location. This transportation showcase will take place from **June 23 – 26, 2019 at the Renaissance Orlando at SeaWorld**. Attendees will include transportation professionals with a unique blend from public agencies (federal, state/provincial, regional, and local) and the private sector with leading transportation experts for a compelling highly interactive educational opportunity.

As an exhibitor at this conference, you can:

- Meet with key transportation industry professionals from varied backgrounds looking for products and services to address their transportation challenges.
- Connect with your customers face-to-face with over 18 hours of targeted, exhibit time to demonstrate your latest technology, product, or service. In-person customer meetings make a difference!
- Concentrated exposure through lunches and receptions located in the Exhibit Hall.
- Standout by bundling a conference sponsorship and an exhibit table..
- Sponsor exhibitors will receive priority exhibit table location selection. The higher the sponsorship level the higher your priority.

Cost for a 10' x 10' exhibitor space is \$1,650, which includes 2 full registrations, 6' skirted table, 2 chairs, electrical connections, basic internet, in a carpeted individual space. A limited number of 10' x 20' booths are also available at a cost of \$2,500 with the same benefits as buying two 10' x 10' booths, except it will only come with 2 registrations. Additional registrations can be purchased at regular registration price.

Sponsorships will be available that include exhibit tables and full registrations as part of the package. Registration information will be available soon at www.i3-florida.org.
