

Construction Services Supervisor

—Florida—

Mead & Hunt, a nationally recognized professional services consulting firm, is seeking a highly motivated individual to build our construction engineering and inspection practice in Florida. This position's responsibilities include leading business development opportunities to expand our CEI presence in the Florida market; supervising, managing, and mentoring staff; project management for CEI projects; and performing management tasks as required. As our practice in Florida grows and staff are added, this position's responsibilities will eventually include managing the department and assigned staff. Travel will be required.

The successful candidate will have one of the following: an associate degree (or higher) in a relevant field plus at least 3 years of relevant experience; OR if no degree; must have at least 5 years of relevant experience.

The ideal candidate will have any/all of the following: 15+ years of experience; experience working with the FDOT; experience developing new business opportunities; FDOT inspector certifications; experience with project management; experience supervising and developing staff.

If you have strong communication and organizational skills, are self-motivated, and can work well both independently and as part of a team, complete the online application process for this job posting at www.meadhunt.com/careers OR submit your cover letter and resume to the address below. The deadline to apply for this position is **Monday, February 25, 2019**. Interviews are awarded on our review of your ability to meet the qualifications in the paragraphs describing the "successful" candidate and "ideal" candidate, **so be sure to explain where indicated in the online application (or in your COVER LETTER, not just in your resume, if you are applying by mail) how you meet each qualification listed in the paragraphs above.**
