

Civil Engineer

—Tallahassee (FL)—

Mead & Hunt, Inc., a nationally recognized professional services consulting firm, has a position open for a civil engineer in our transportation department. Responsibilities include developing transportation roadway plans using Microstation/Geopak; determining appropriate lines and grades, cross sections and all applicable design standards in preparation of roadway; serving as the project manager as necessary. Occasional travel will be required.

The successful candidate will have all of the following a bachelor's degree (or higher) in civil engineering AND at least four years of relevant work experience.

The ideal candidate will have experience with any/all of the following: Microstation/Geopak software; FDOT roadway design projects; AutoCAD Civil 3D software; project management. A PE license in any state (preferably FL, NC, or SC), or the ability to obtain within six months of hire is also preferred.

If you have strong communication and organizational skills, are self-motivated, and can work well both independently and as part of a team, complete the online application process for this job posting at www.meadhunt.com/careers OR submit your cover letter and resume (and the pdf application if possible) to the address below. The deadline to apply for this position is **Monday, March 25, 2019**. Interviews are awarded on our review of your ability to meet the qualifications in the paragraphs describing the "successful" candidate and "ideal" candidate, **so be sure to explain where indicated in the online application (or in your COVER LETTER, not just in your resume, if you are applying by mail) how you meet each qualification listed in the paragraphs above.** Mead & Hunt will not sponsor a visa (H-1B, etc.) for this position.
