

Experienced Civil Engineer – Bridge Design

—Tallahassee (FL)—

Mead & Hunt, Inc., a nationally recognized professional services consulting firm, has a position open for an experienced civil engineer to work with our bridge design team. Responsibilities include preparing and overseeing designs, reports, studies, specifications, provisions and construction documents for highway transportation structures; developing the design structural components for bridges and related structures of various complexity; cost estimates; developing bridge components for contracts drawings and construction sequencing; performing load ratings; mentoring junior staff; assisting with business development; serving as the project manager as necessary. Some travel will be required.

The successful candidate will have all of the following:

- a bachelor's degree (or higher) in civil or structural engineering;
- at least twelve years of relevant work experience; and
- a PE license in any state with ability to obtain in Florida within six months of start date

The ideal candidate will have experience with any/all of the following: diverse bridge design projects; FDOT bridge design projects; serving as a technical lead on bridge design projects; structural analysis and bridge design software programs (i.e. LEAP Concrete, FB-Multiplier, AASHTOWARE BrR, MIDAS Civil, SAP 2000, MDX, LEAP Steel); developing scopes of work, project hours and schedules; project management; business development.

If you have strong communication and organizational skills, are self-motivated, and can work well both independently and as part of a team, complete the online application process for this job posting at www.meadhunt.com/careers OR submit your cover letter and resume (and the pdf application if possible) to the address below. The deadline to apply for this position is **Tuesday, June 4, 2019**. Interviews are awarded on our review of your ability to meet the qualifications in the paragraphs describing the “successful” candidate and “ideal” candidate, **so be sure to explain where indicated in the online application (or in your COVER LETTER, not just in your resume, if you are applying by mail) how you meet each qualification listed in the paragraphs above.** Mead & Hunt will not sponsor a visa (H-1B, etc.) for this position.
