

**Assistant Project Manager/Transit Planner and Planner III Positions—Orange County
Transportation Planning (Orlando, FL)**

Orange County Transportation Planning Division has immediate openings for an **Assistant Project Manager/Transit Planner** (Job ID #22409) and two **Planner III** positions (Job ID #20936/20161) to lead Roadway Conceptual Analysis Studies and other transportation studies.

Duties include proposal reviews, review of consultant work products, data collection, invoicing and reporting, GIS mapping, research of transportation standards, development of transportation corridor improvement concepts, and public outreach. Transportation Planning has an interdisciplinary team actively engaged with state, regional, and local partners to promote multimodal transportation and pedestrian/bicycle safety in the Orlando area.

More information and an online application are at <http://www.ocfl.net/jobs>. Please apply by October 26, 2018.
