

SENIOR TRANSPORTATION ENGINEER

ICON Consultant Group is a Tampa based Transportation Engineering Firm performing planning and design for the Florida Department of Transportation Statewide, Local Municipalities, State Universities, Land Development Companies, and Engineering/Construction Companies.

ICON is seeking a Senior Transportation Engineer in the Tampa and Orlando to oversee and work on many unique projects involving design, safety and traffic study contracts, complete streets projects, corridor studies, and roadway/interstate capacity projects.

Candidates should possess:

- Technical knowledge in Traffic Design, Roadway Design, ITS, Traffic Operations, Safety, and Pedestrian/Bicycle Strategies
- Effectively manage staff and projects
- An active Florida PE with references and experience
- Market the Florida Department of Transportation and local governments
- Good communication and organizational skills

Contact: We hire people who want to be great at what they do. If this is you or if you would like to discuss Florida's Transportation Engineering opportunities, please email or call:
